TownSq Feature Overview - For BMH Homeowners

Communication

News & Events

- **Announcements:** View announcements posted by your management team to stay up-to-date concerning important information about your community
- **Events:** See information regarding upcoming community events and meetings.

Requests

- **Requests:** Create a request to communicate directly with your management team any questions or maintenance needs that you may have.

Messages

- **Messages:** Receive and respond to private messages from your management team.
- **Surveys:** Cast your vote during community surveys to voice your opinion and make an impact on community decisions.

Tools

Documents

- **Documents:** View and download community documents such as Bylaws, CC&R's, or other Governing Documents at your convenience.

Administration

Assignments

- **Assignments:** Keep track of common-area maintenance, community projects, and Board action items.
